BIG BANK FARE.

FILE

Sch. Elector Has 300,000 Pounds of Salt Cod.**FLEET AS A WHOLE DOING POORLY****Trip Brings Highest Price Paid Since the Rebellion.**

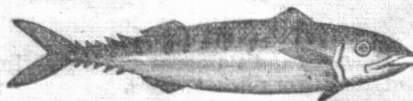

Sch. Elector, Capt. Orlando Vanamburg, arrived from Sable Island bank this morning, with a big fare of 300,000 pounds of salt cod, being the first of the salt bank fleet to arrive with a big fare this season.

Last year Capt. Vanamburg was also the first of the big fellows to arrive coming in May 29, the same day as this year.

Capt. Vanamburg reports finishing up his fare on the Middle Ground. He says the fleet as a whole has done poorly, while a few have done fairly well. Sch. Essex had the most fish, about 170,000 pounds.

This trip will bring the largest price ever paid for a "spring trip" of small bank cod since the Rebellion, as Capt. Vanamburg has already been offered \$3.50 per hundred weight for large and \$3 for mediums.

Last year Capt. Vanamburg sold his first trip to John Pew & Son at \$1.87 1-2 and \$1.37 1-2. Just compare these prices with those paid to-day and note the tremendous advance.

SEINERS DOING WELL**Big Body of Mackerel Reported off Block Island.****MANY FRESH FARES AT NEWPORT.****Cape Shore Fleet Appears To Be Ahead of Schools.**

The mackerel fleet off Block Island, followed up their big catches of Tuesday night by making more good hauls Wednesday and Thursday, and more fine fares are arriving to-day.

The arrivals at Newport Thursday and to-day are as follows:

Sch. Lizzie M. Center, Capt. Joseph Smith, 200 barrels fresh mackerel.

Sch. Victor, Capt. John W. McFarland, 150 barrels fresh mackerel.

Sch. Miranda, Capt. Edward Morris, 60 barrels fresh mackerel.

Sch. Ralph E. Eaton, Capt. McDonald, 30 barrels fresh mackerel.

Sch. Natalie B. Nickerson, Capt. Eben T. Lewis, 50 barrels fresh mackerel.

Sch. Nettie Franklin, Capt. Cahoon, 130 barrels fresh mackerel.

Sch. Mizpah, 50 barrels fresh mackerel.

Sch. Lottie G. Merchant, Capt. Christopher Carrigan, 225 barrels large fresh mackerel.

Sch. Mary E. Harty, Capt. Charles H. Harty, 60 barrels fresh mackerel.

Sch. Centennial, Capt. Russell D. Terry, 100 barrels salt mackerel, 150 barrels fresh mackerel.

Sch. Mary E. Harty got around a big school Thursday and was obliged to cut the purse line and let the fish go in order to save the seine.

There appears to be a large body of fish between Point Judith and Block Island. It is reported that others beside those reported in with fish got schools.

The steamer from Yarmouth, N. S., Thursday had 120 barrels fresh mackerel at Boston.

A letter from the Cape Shore states that the trap and boat men are disappointed at the non-appearance of the schools to the westward of Halifax and that the fishery so far has been a failure.

From all our reports it would appear that the mackerel schools have gone along off shore and that the American seiners are ahead of the fish.

A special to the TIMES from Block Island states that the sch. Grace Otis of this port made a haul of 125 barrels of mackerel off the east side of the island close in shore, Thursday. There is a large body of fish off the island.

A letter received from Newport this morning from one of the netting fleet states that the weather has been so bad that they have been unable to do but little. Fish are schooling but none have been seen off No Man's Land yet.
